

# Traditional Bevelled Windows

Casement Windows with the Network VEKA difference...

A crisp and understated design classic, the clean, angular lines of Traditional Bevelled Casement Windows are a versatile match for any home.

Simple and unobtrusive, Traditional Casement Windows are the perfect base for a variety of colour and woodgrain finishes, they can be customised to suit any design scheme, even offering the opportunity to pair different finishes for the inner and outer-facing sides of the frame.

Choose a window style to suit you and your home. Ask your installer about further options.

## Sightlines

Good window design extends to the symmetry of window sightlines. Equal sightlines add balance and harmony - a subtle touch which adds value to any home.

## Often used as a retrofit replacement for conventional timber-framed windows...

Traditional Bevelled Casement Windows with PVC-U frames eliminate the need for costly and time-consuming maintenance, only requiring an occasional wipe with soapy water and a drop of oil on the hinges.

Available in a variety of top and sidehung configurations, Traditional Bevelled Casement Windows from your local Network VEKA member boast the same, superior energy and acoustic-insulation ratings of VEKA's other double and tripleglazed PVC-U window systems,

helping to minimise outdoor noise and significantly reducing your heating bills.

Traditional Bevelled Casement Windows provide a formidable barrier against intruders, featuring tough, reinforcement components, alongside steadfast multipoint locking mechanisms.

Naturally, all Traditional Bevelled Casement Windows come with the long-life, low-maintenance and insurance-backed guarantees you would expect from Network VEKA.
